

## **PointClickCare (Wescom Solutions Inc.) ranked 41 in the 2008 Profit 100 as one of Canada's Fastest Growing Companies**

---

**Mississauga, Ontario, June 5, 2008** – Wescom Solutions Inc., developers of PointClickCare, was named in the 20th Annual PROFIT 100, which profiles Canada's Fastest-Growing Companies, ranking them by five-year revenue growth.

Mike Wessinger, President and CEO, credits much of the organization's growth to "the company's commitment to investing as much effort in attracting and retaining the best talent as it does to winning and keeping customers." This, he says, is one of the largest contributing factors to the success of PointClickCare.com, the company's financial and electronic health records software-as-a-service for Long Term Care facilities.

Ranking Canada's fastest-growing companies by five-year revenue growth, the PROFIT 100 profiles the country's most successful growth companies. Published in the June issue of PROFIT and online at PROFITguide.com, the PROFIT 100 is Canada's largest annual celebration of entrepreneurial achievement.
